

"Fuelling your drive"

News Update

We are pleased to announce the opening of our brand-new Riordan Fuels Express Diesel 24/7 fuelling site at **155 O'Brien's Rd Corio**. Those that know the area would know the Wengfu/Riordan Fertiliser sheds that the fuelling site is located in front of. We encourage everyone to take advantage of the convenience of this new site which also provides the added benefit of AdBlue supply.

Riordan Fuel is committed to expanding its network of 24/7 Express Diesel self-service fuelling stations across the country in support of our customer's growing needs.
